Dear test CANDIDAT1,

You have successfully validated your application for the funding call "**Interdisciplinary approaches to oncogenic processes and therapeutic perspectives: Contributions to oncology of physics, chemistry and engineering sciences**".

In case, you would like to modify your application before the deadline (**23th December 2025, 5pm**), you may modify it by clicking on the button "Modify" but do not forget to validate the modified application. All applications that are not validated shall not be evaluated.

Attention: We would like to inform you that all incomplete applications (applications missing signature and stamp on the annex or missing an annex and so on) will be considered administratively ineligible and hence will not be evaluated.

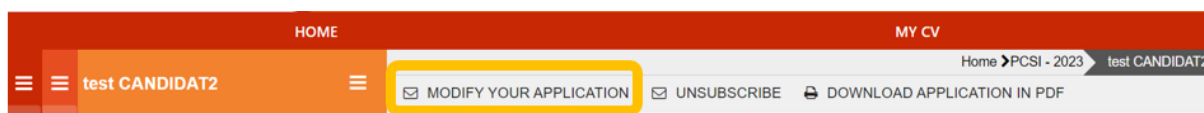

This is an automated message, please do not reply to this mail but use the generic address, cancerinserm.pcsi@inserm.fr.

Yours sincerely,

Cancer Inserm team
cancerinserm.pcsi@inserm.fr.

You may "**modify**" your application after submission but only until the deadline.

If this is the case, do not forget to "save" and then "validate and submit" your application after each modification, for your application to be accepted.

Following this, you will receive a confirmation email.
