VALIDATE

You may register with your first name, surname and email ID. Please click on "**Validate**" then "**OK**" and an email shall be sent to your email address to activate your account. Remember you cannot change your email ID later.

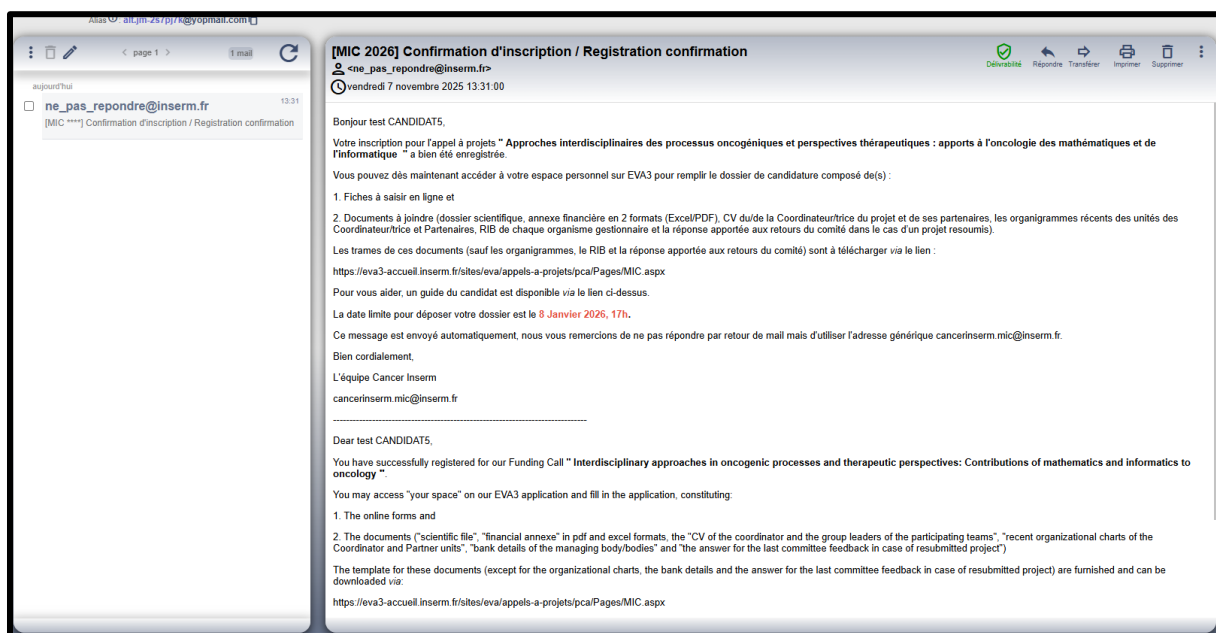

An email will be sent to this email address to activate your EVA3 account.

Click on the link that you have received in your e-mail and register with the login and password that you used to create your account.

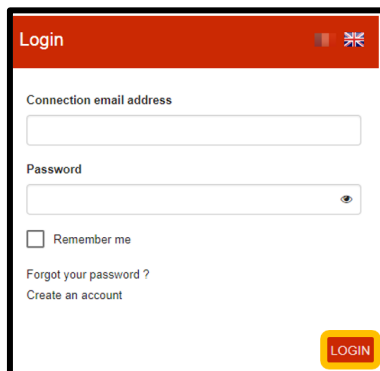

At the first connection, you will be automatically redirected to the password change page.
Once you have changed your password, you will receive a registration confirmation email for this "**MIC 2026**" call for projects

Once your account is created, you can access our EVA3 site at the link: <https://www.eva3.inserm.fr>

You will then access your personal space with your identifiers created in the previous step.

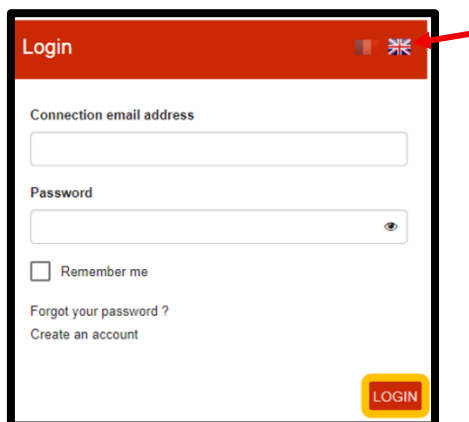

Inserm candidate

INSERM candidates may skip this step and login directly with the login and password details of their INSERM e-mail ID.

You can access our EVA3 site at the link: <https://www.eva3.inserm.fr>

Click on « **Se connecter à EVA3** ».

You will access your personal space by logging in with your Inserm identifiers.

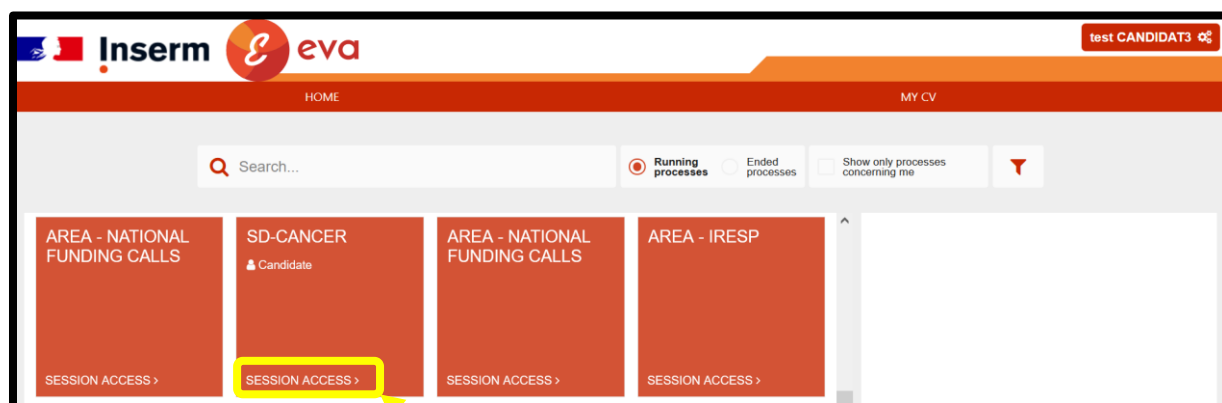

You can, at any time, by clicking on the button at the top right:

- Change the language of the EVA3 application
- Logout

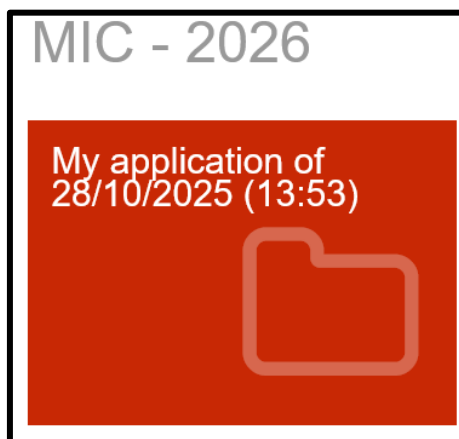

Your application

Scroll down and select "Session Access" on the Cancer square (ESPACE – SD CANCER).

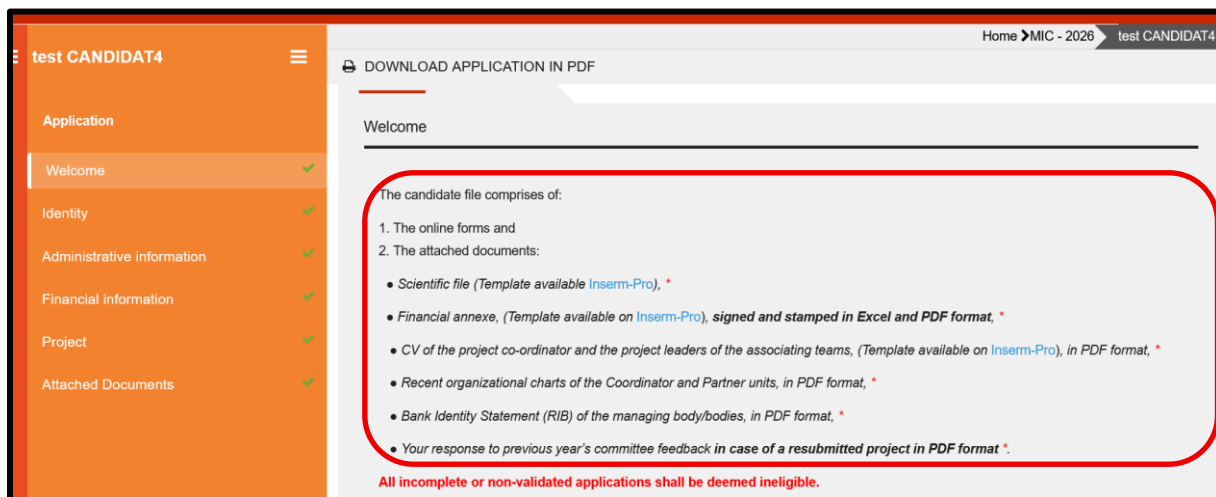

Select "**Process Access**" or "**Register**" on the MIC 2025 square to access your personal space in this process.

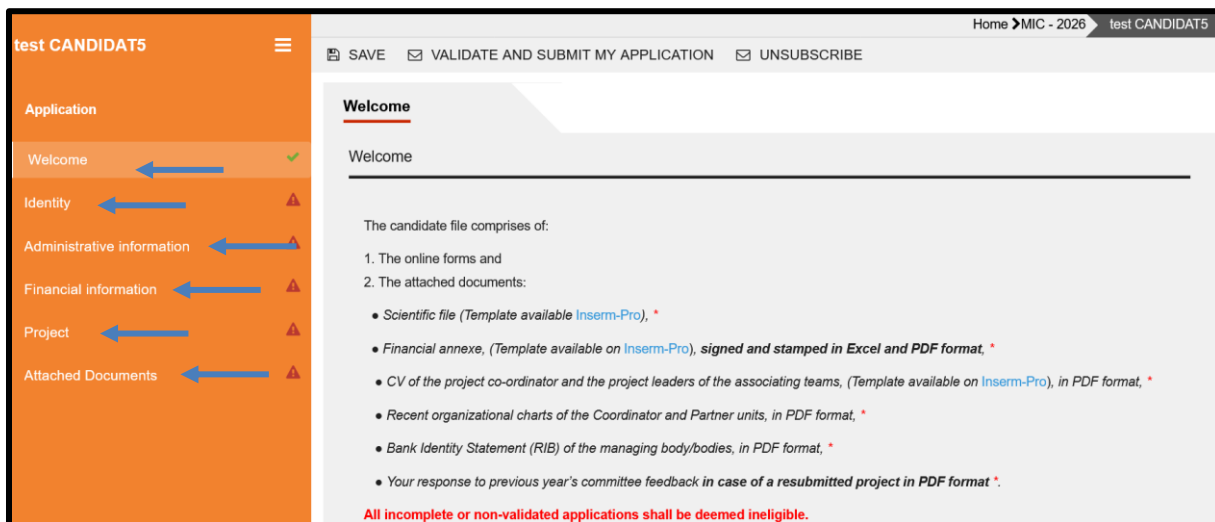

You can modify and complete your file up to the submission deadline (**January 8th 2026, 5 p.m.**) by logging into your personal space and clicking on "**My application** "

You will reach the home page of the process « **MIC 2026** » that indicates the different documents required for your application.

Click on each online form and please fill in the information required:

1. Fiche d'Accueil / **Welcome**
2. Fiche d'identité / **Identity**
3. Fiche Information Administrative / **Administrative information**
4. Fiche Informations financières / **Financial information**
5. Fiche de Travaux et Projet / **Project**
6. Fiche Documents à joindre / **Attached documents**

2. Identity Form /Fiche Identité

Information such as Solaris code, first name and surname are automatically recovered from your registration.

In this part, don't forget to provide your date of birth, a valid **ORCID**, and to fill in all the mandatory fields with marked "a red asterisk *" related to the project's identity.

Do not forget to save your information frequently by clicking on save (Top of page).

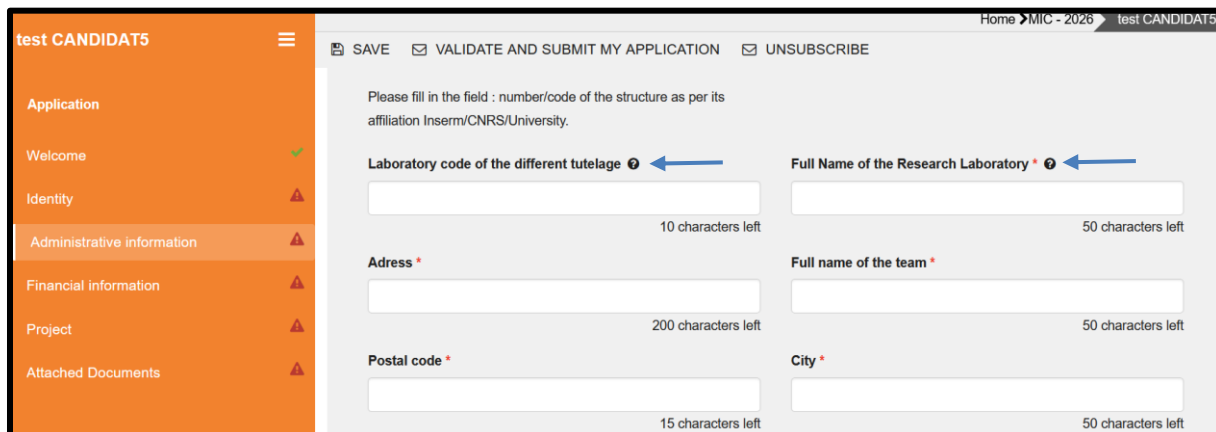

3. Administrative information Form / Fiche Informations Administratives

⚠ Team 1 corresponds to the coordinator's team. It is compulsory to list the teams in an ascending order (For ex: Team 1, Team 2, Team 3).

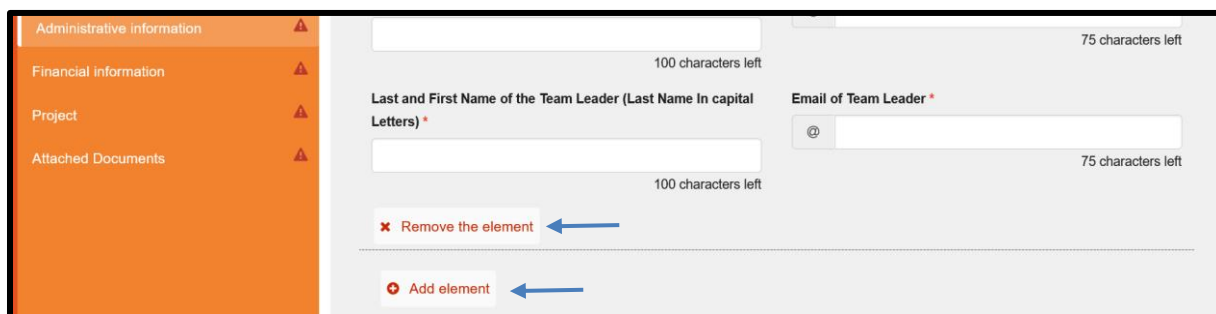

Don't forget to fill in **all** fields.

Please refer to the explanations for certain fields by clicking this "Question mark" next to some fields

Feel free to check the examples available for certain fields by clicking on the "White question mark on a black background" next to the field.

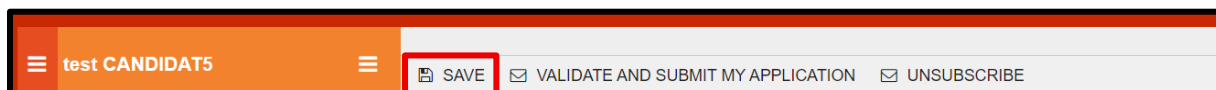

To add each team, you need to click on "**Add element**".
This is a repetitive action for multi team consortiums (4 max). An application is considered ineligible if the details of all the teams are not entered.

At any point of time before the deadline, you can also delete a team that is no longer participating in the final submitted project. You can click on "**Remove the element**".

Do not forget to save your information frequently by clicking on save (Top of page).

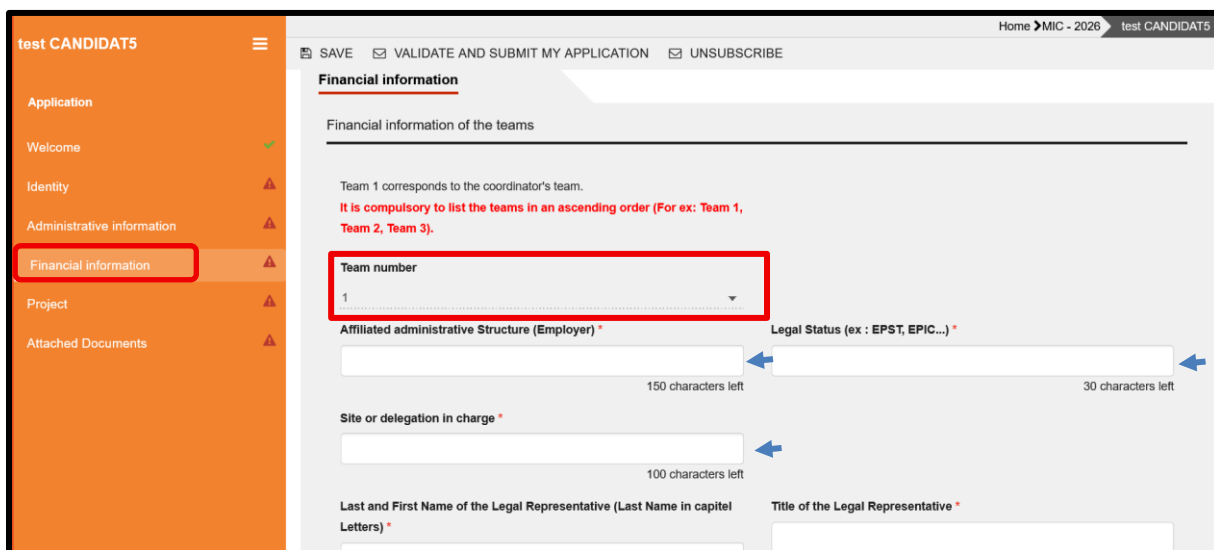

4. Financial information Form/ Fiche Informations financières

 **Team 1 corresponds to the coordinator's team. It is compulsory to list the teams in an ascending order (For ex: Team 1, Team 2, Team 3).**

Please contact the managing body of each partner team of the project (requesting funding) to best fill in the fields of the "**Financial Information**" sheet.

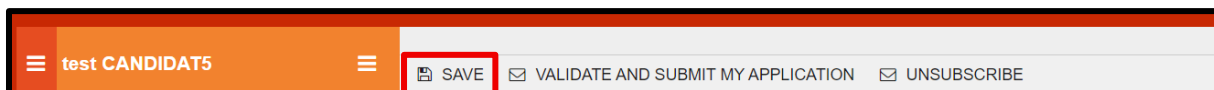

Remember there is a document called **financial annex**, to describe your budgetary expenses, that needs to be downloaded, filled in (with signatures and stamp) and uploaded (in PDF and Excel format).

Don't forget to fill in **all** fields.

You can click on "**Add element**" to provide the "Financial Information" for partner teams. You can add a maximum of up to 4 teams involved in the consortium.

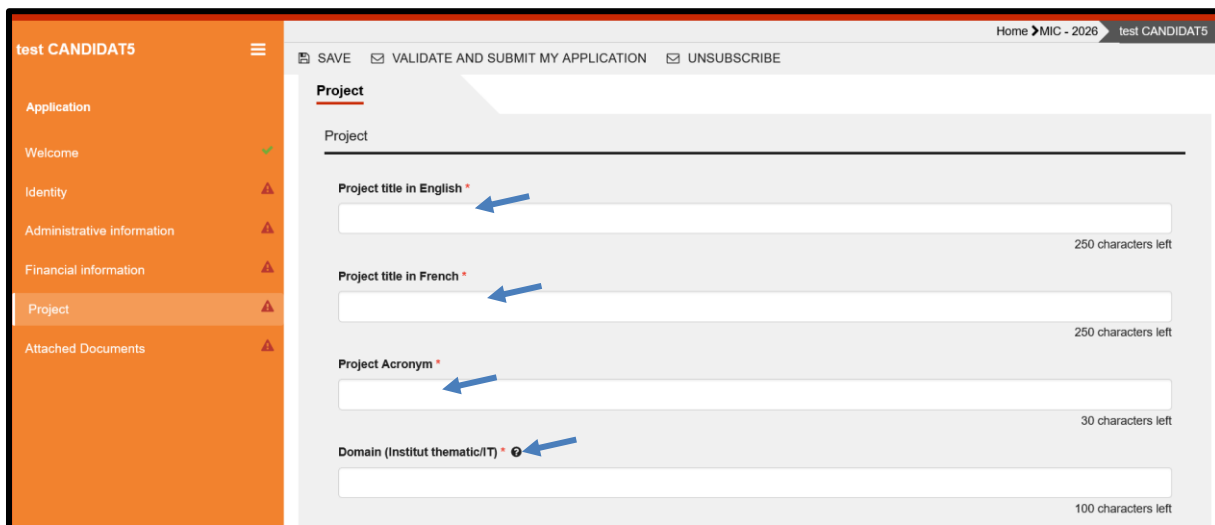

Do not forget to save your information frequently by clicking on save (Top of page).

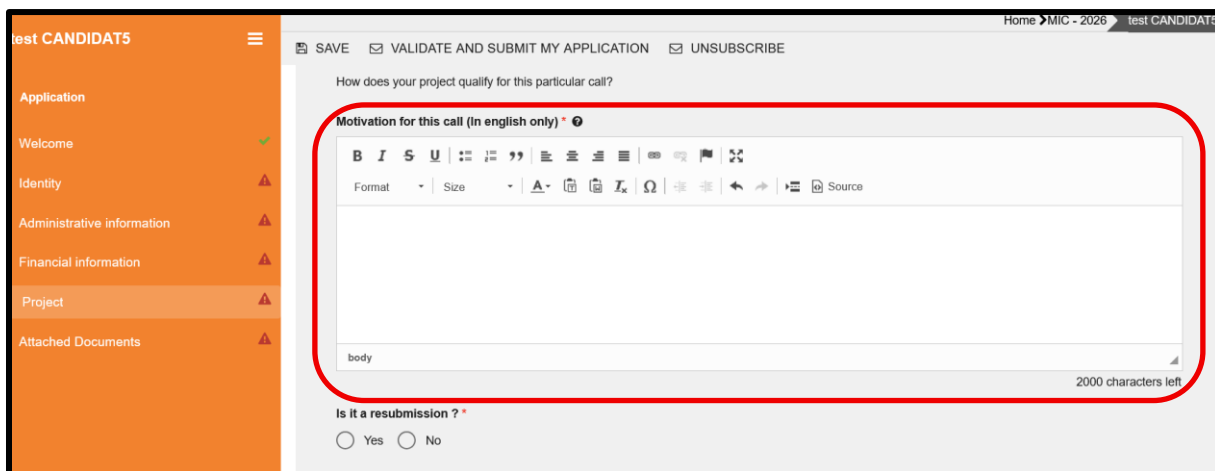

5. Project Form/ Fiche Travaux et Projet

Complete and fill in **all** the fields on the "**Project**" form.

Please consult the additional information present for certain fields by clicking on the "Question mark in white on a black background" next to the field (Example: Institut thematic/IT)

We highly recommend you to write the scientific and technical description of the project proposal **in English** as the evaluation is carried out by international experts (Examples: Motivation for this call, Major contributions of the consortium in the domain of the current Funding call...).

Only the references of **international experts** are acceptable. **Also, please keep in mind of the ties and conflicts of interest. Collaborators cannot be the experts of your projects as they are considered as links of interest.** You must propose at least one expert.

Proposed Experts

Only **international** experts are welcome (outside France)

These experts **should not have any conflicts or ties** with the Coordinator or any member of the participating teams.

Conflicts/Ties:

Articles published together in last 5 years,
Collaborations or part of the same team in last 5 years,
Thesis director,
Member of the family or
A friend

Do not forget to save your information frequently by clicking on save (Top of page).

6. Attached documents form/Fiche Documents à joindre

The list of documents to be completed and downloaded constituting the application file is given in this form.

Remember there is a document called "**Scientific file**" which needs to be downloaded and filled in and uploaded to elaborate more on your work.

Please click the "Save" button after submitting a document to the designated locations.

SAVE VALIDATE AND SUBMIT MY APPLICATION UNSUBSCRIBE

The candidate file must include :

- Scientific file in pdf format, (template is available on [Inserm-Pro](#));
- Financial annexe in excel format and pdf format, signed and stamped, (template is available on [Inserm-Pro](#));
- CV of the project co-ordinator and project leader of the associating team(s) in pdf format as per the template available on [Inserm-Pro](#);
- Recent organizational charts of the Coordinator and Partner units indicating the participating teams, in PDF format*
- Completed online form,
- Bank details of the managing body in pdf format, in PDF format*
- Your reply for the previous committee feedback in case of resubmitted project, in PDF format*

*These documents can be downloaded from the home page of this funding call or from the welcome page. They need to be filled in and uploaded on this webpage, without which your application remains invalid.

Please click on the button "Save" after uploading each document for it to be saved.

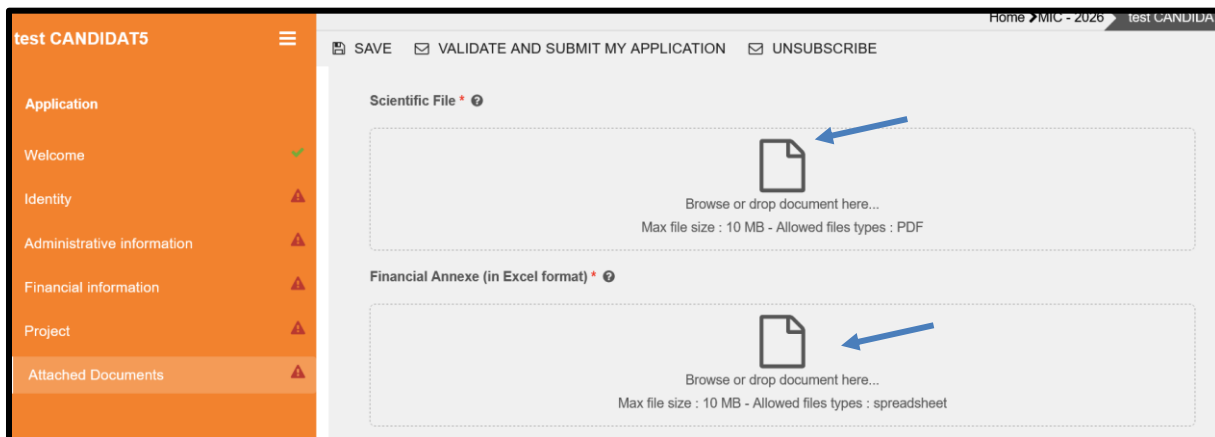

Avoid using accents or other characters while naming your documents, this helps in avoiding your document from being corrupted.

Scientific File *

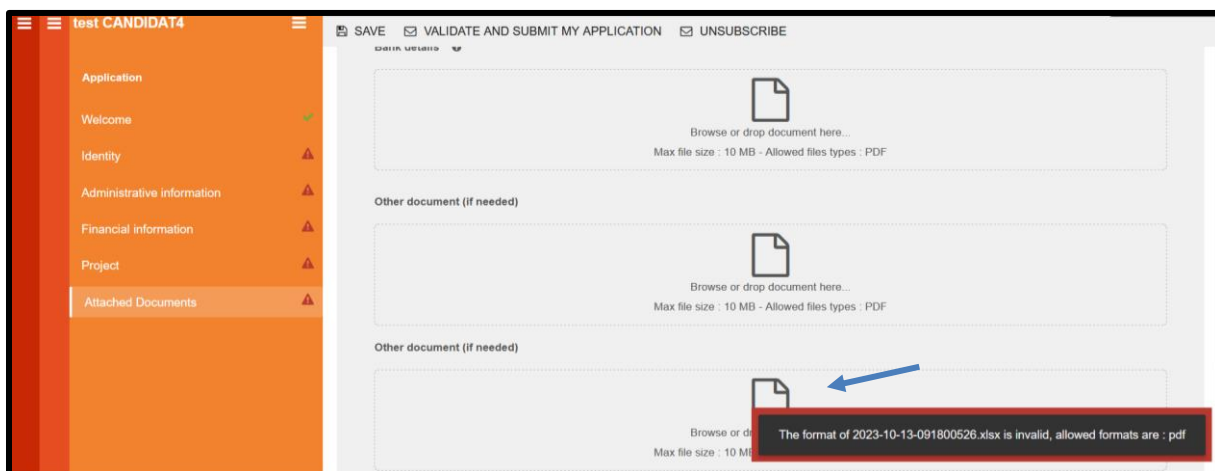

Browse or drop document here...

Max file size : 10 MB - Allowed files types : PDF

Click on “**Browse or drop document here**” to upload your document.

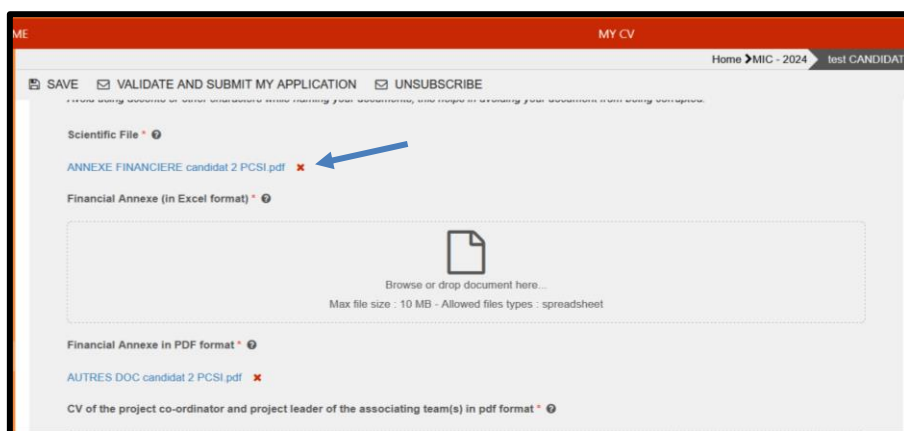

Please fill in the form downloaded and upload them in the right format (PDF/Excel) requested otherwise an error message will appear telling you that an error has occurred.
For example: for financial annex, we need both PDF (**with stamps and signatures**) and Excel formats.

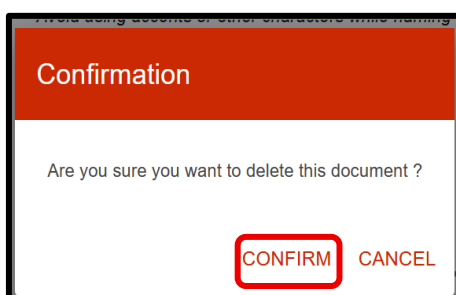

Do not forget to save your information frequently by clicking on save (Top of page).

At any time, you can modify or delete an attached document already uploaded, for this you must click on "the little red cross".

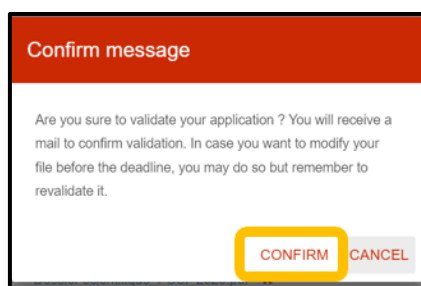

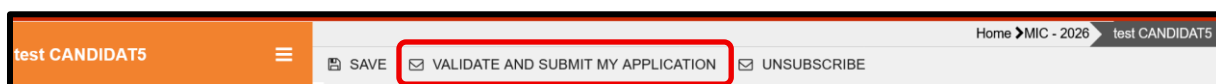

Then click **“Confirm”** to delete the attached document.

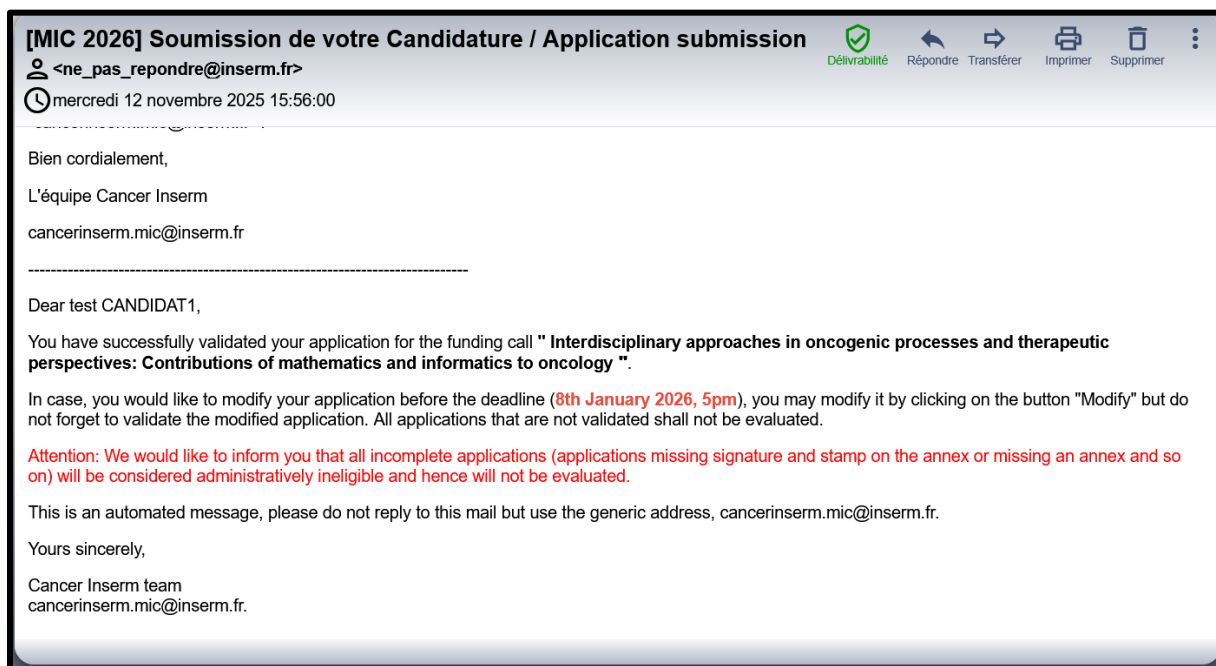

Do not forget to save your information frequently by clicking on save

Validation of your application

Once your application is complete, which means you have filled in all the online forms and the attached documents have been completed and uploaded and you are ready, please click on **“Validate and submit my application”** then **“confirm”** your validation

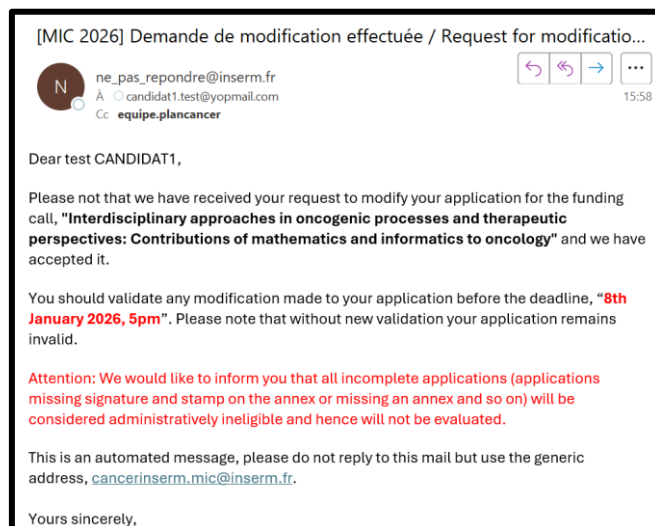

Following this, you will receive a confirmation email upon submission. In case you have not received this email please contact eva@inserm.fr.

You may **"modify"** your application after submission but only until the deadline.
If this is the case, do not forget to **"save"** and then **"validate and submit"** your application after each modification, for your application to be accepted.

Following this, you will receive a confirmation email.

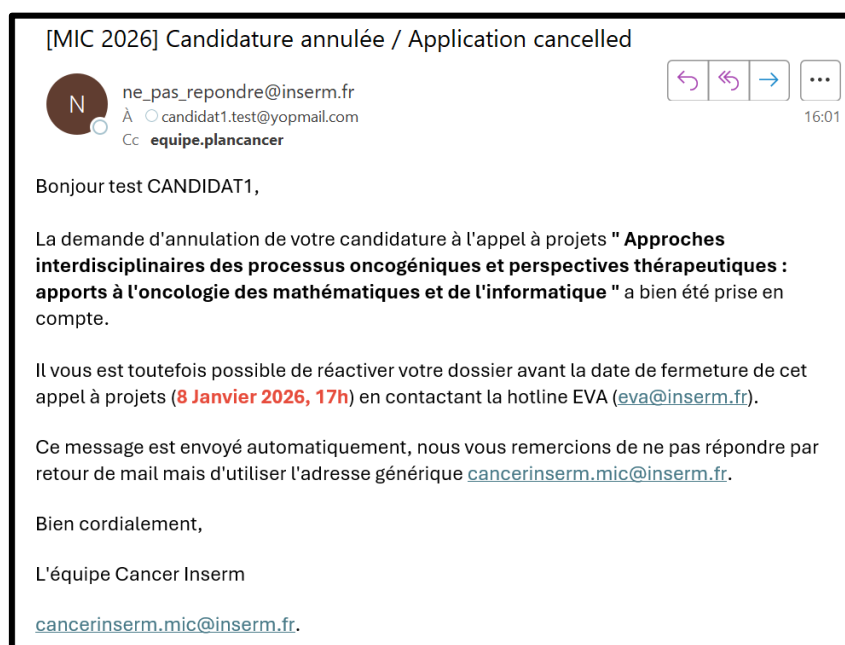

Each modification must be followed by “**Save**” then a new **validation and transmission** of the file, without this your modification in the application file will not be considered.

You may delete/cancel your application at any point before submission by clicking on the button “**Unsubscribe**” then “**Confirm**”.

Following this, you will receive a confirmation email.

A confirmation email will be sent after each action of submission / modification / unsubscribe.

→ In case you have not received this email please contact eva@inserm.fr

All incomplete files will be deemed ineligible for the next steps of the process.
